Dear Mr. Ranga Rao,

During my recent tour in the Chitaldrug District, I found there was no longer any necessity to maintain two special Sub-Assistant Surgeons on Guinea-worm duty. The one working outside Jagalur taluk could be removed without detriment to the work, his work being quite easily distributed amongst the Sub-Assistant Surgeons of the local Fund Dispensary and the Range Sanitary Inspectors. I consulted the Deputy Commissioner and the President, District Board in the matter. He has agreed with me.

Pending receipt of formal orders of Government, I am addressing the Senior Surgeon to take back the Sub-Assistant Surgeon under reference to the Medical Department.

I request you to be so good as to accord Government's approval to my action.

This may be appd.
